FUNGATOR Identity Guidelines

The FUNGATOR identity ensures quality and excellence to consumers. The entirety of the FUNGATOR logo, visuals and design represent a cohesive identity. This document provides clear guidelines for correct and incorrect usage of said design elements.

EXCLUSION ZONE

This is a defined exclusion zone that stops other graphic elements from interfering with the FUNGATOR logo.

MINIMUM SIZE

The logo should never be too small. The minimum size is 21mm.

LOGO

When using the FUNGATOR logo, the graphic and text are always a solid color. When just using the graphic, the gator must face to the right. When using the text, the "UN" and "ATOR" must be all uppercase and 73 percent smaller than the "F" and "G."

The following images represent the **acceptable** usage of the FUNGATOR logo.

When using the FUNGATOR logo, the hidden gator and text may not appear without the bottom stamp. The logo must never be tilted in any way. The hidden gator must never be on the bottom of the logo.

The following images represent the **unacceptable** usage of the FUNGATOR logo.
